

Single Audit Report Submission

As defined in 2 CFR 200 Subpart F, "a non-Federal entity that expends \$750,000 or more during"¹ its fiscal year "must have a single audit conducted"¹. The general rule for audit report and data collection submission to the Federal Audit Clearinghouse (FAC)² is "the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day."³
